We Get Deals Done.

ClearCap Strategic Advisors is a unique strategic financial advisory firm focused on addressing the specific and specialized liquidity and financial needs of business entrepreneurs and the shareholders of middle market companies.

Our firm specializes in assisting the ownership teams of middle market companies with their strategic growth, liquidity goals and objectives while enhancing and maximizing shareholder value.

With "ownership interests" at the core of its focus, ClearCap Strategic Advisors assists in establishing long term strategic objectives which are then implemented through tactical plans designed to meet both ownership and corporate objectives.

About The Companies

Full Circle Electronics | TideRock

Full Circle Electronics is a trusted provider of secure, scalable IT asset disposition, electronics recycling, and technology lifecycle management services. Operating certified facilities across the United States, the company provides secure data destruction, compliance reporting, asset remarketing, and sustainability-focused ITAD solutions for organizations of all sizes. Full Circle Electronics is dedicated to helping businesses maximize value recovery while maintaining the highest standards of security, compliance, and environmental responsibility. The Company is a portfolio holding of TideRock. To learn more, visit

Mac of all Trades

Founded in 1995, Mac of All Trades is a leading provider of refurbished Apple technology and Apple device buyback services. The company helps consumers, businesses, schools, and organizations buy and sell pre-owned Apple products through a secure, customer-focused online marketplace. Mac of All Trades offers a wide selection of refurbished Macs, iPads, iPhones, Apple Watches, and accessories while providing fast, convenient solutions for customers seeking to sell Apple devices.

Strategic Rationale

The acquisition strengthens Full Circle Electronics' position in the circular technology economy, by combining FCE's certified expertise in enterprise IT asset recovery, data security, and technology lifecycle management with Mac of All Trades' longstanding reputation in the Apple ecosystem. Mac of All Trades has built a loyal customer base over more than three decades by offering refurbished Macs, iPads, iPhones, Apple Watches, and related accessories, while providing an efficient process for customers to sell Apple devices for cash.
